We hear about the three Kings as they visit Jesus

Christmas is for everyone: old young and in-between. The churches in our community are full of light and the sound of familiar carols. It's a time to wonder at the Christmas story, of God who came down from heaven to be with us in Jesus.

For some it's a time of joy, for some it's bitter sweet, remembering who won't be at the Christmas table this year. For some people it's a lonely time. Let's reach out to our neighbours this Christmas and share some of that joy with them.

The churches in our parish are your churches, whether you are a regular worshipper or not. I invite you to come along at Christmas and feel part of God's family, you will be made very welcome.

*May the joy of the angels, the eagerness of the shepherds  
and the peace of the Christ Child be yours this Christmas .*

*Amen*
